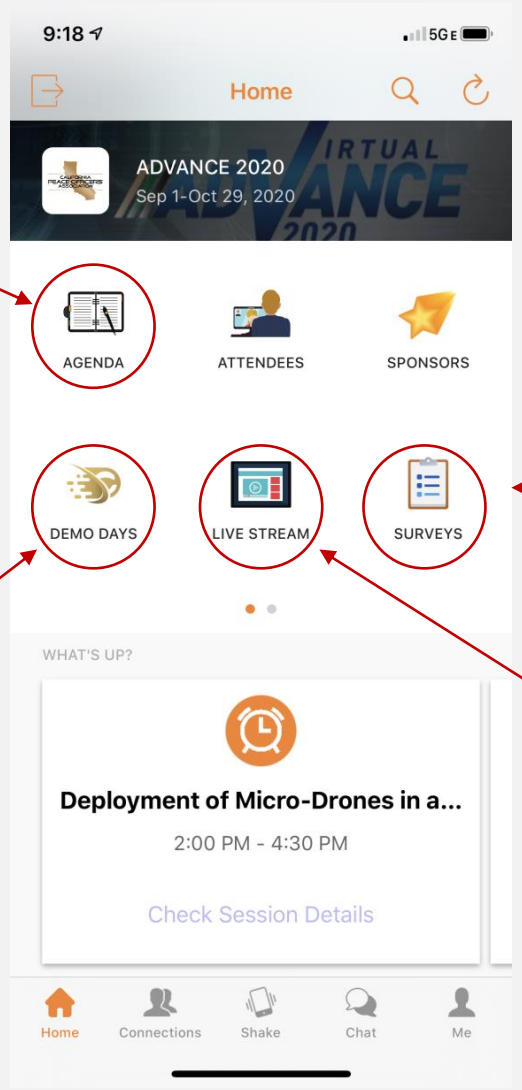
COOL FEATURES ON YOUR CPOA EVENT APP

HOME SCREEN- QUICK FEATURES



Here is where you can view the schedule of sessions by day. Your personal agenda of your registered courses will show up here as well

Here you can find the Demo Days schedule by day, and see the lineup of products/vendors

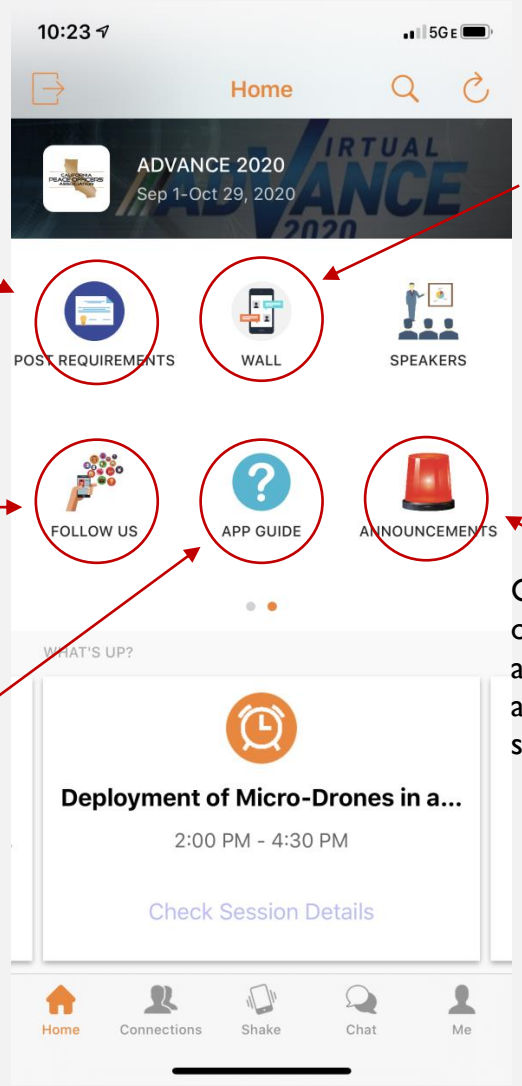
Here is where you can go to take your POST mandated survey at the END of the session

This is where you will go to view your session. Click on this icon close to the time that your session starts and enter your session code that was emailed to you

If you forgot what requirements you need to fulfill for POST credit, click here.

Find our social links here! Youtube, Facebook, Twitter, Instagram, Website, etc

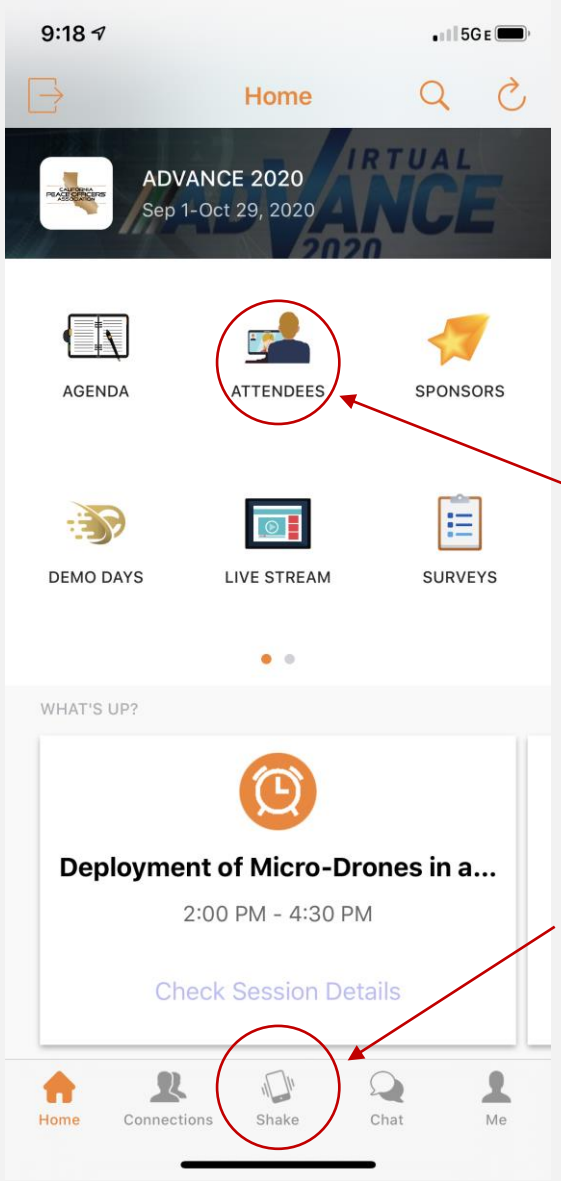
Need help with the app? Click here!



This is a great function where you can post resources, ask questions, pose thought-provoking messages, or network with like-minded peers about the speakers and sessions

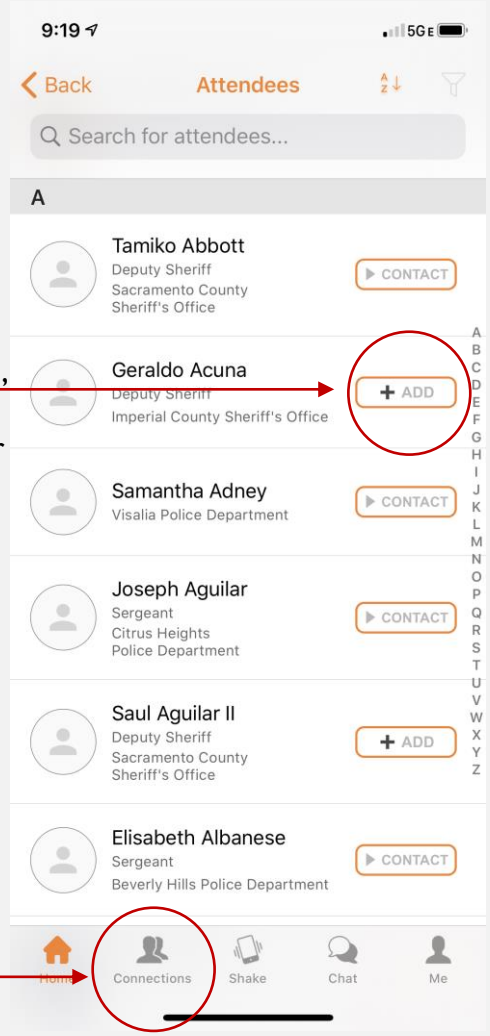
Check here often for announcements about sessions, sponsors, etc

NETWORKING WITH PEERS



Here is where you can "network" with other attendees from different agencies

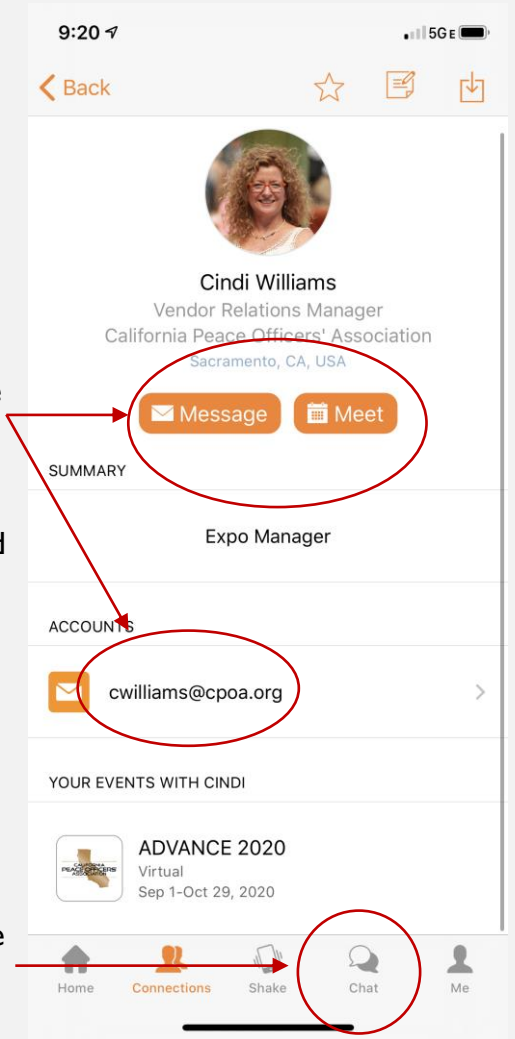
You can also shake your phone to connect to anyone else who is simultaneously shaking their phone in this function. It's a great way to make some connections!



If you see an attendee you would like to connect with, simply click this button next to their name

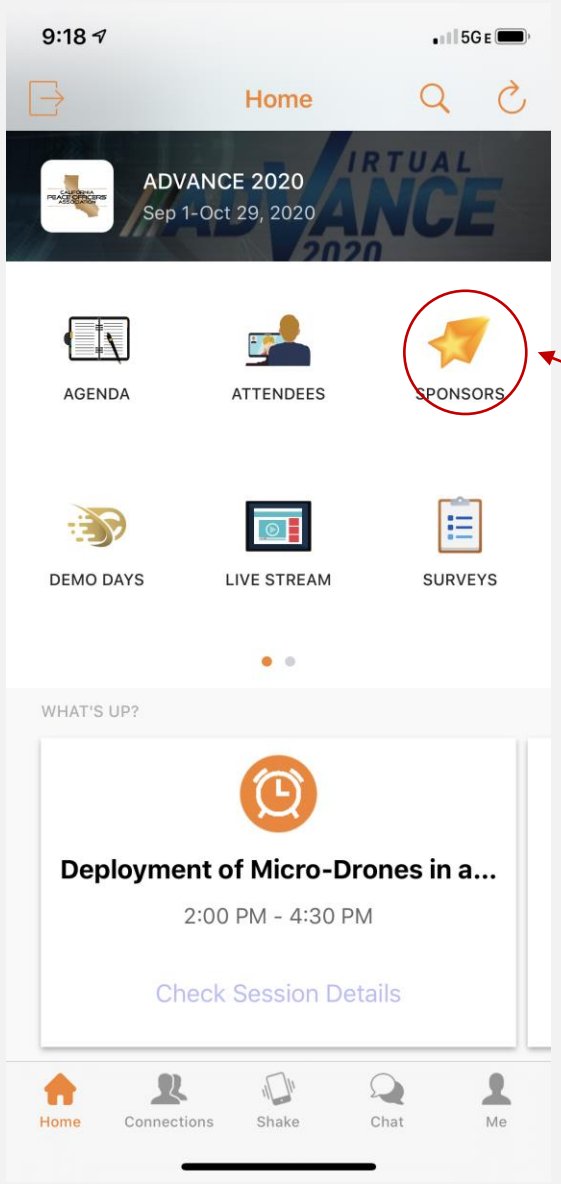
If that person accepts your request to connect, they'll show up here in your "connections" tab. If someone sends you a connection request, you will be prompted to either accept or deny the request

When you click on someone in your "connections" tab, their profile will look like this. You can message them on the app, send them an email, or schedule a virtual meetup



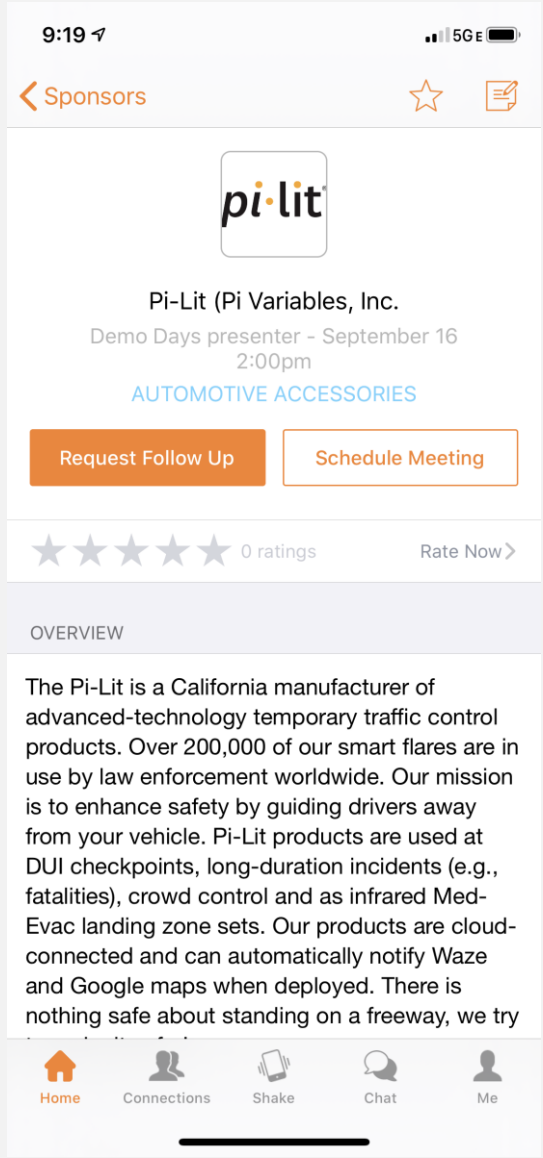
Your messages to peers on the app will show up here

NETWORKING WITH SPONSORS/VENDORS

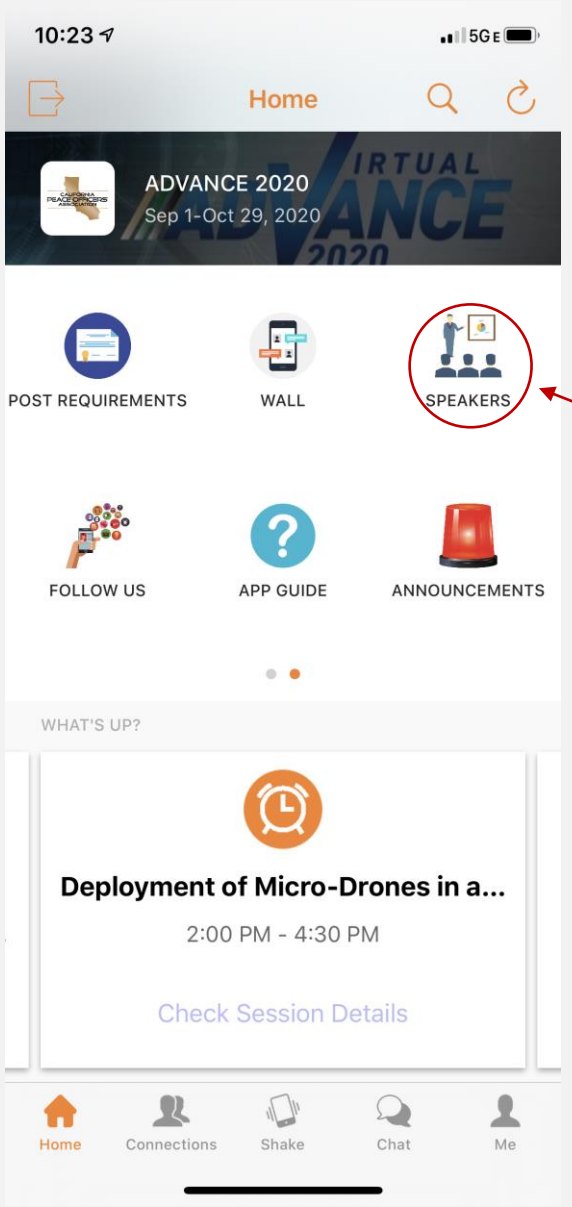


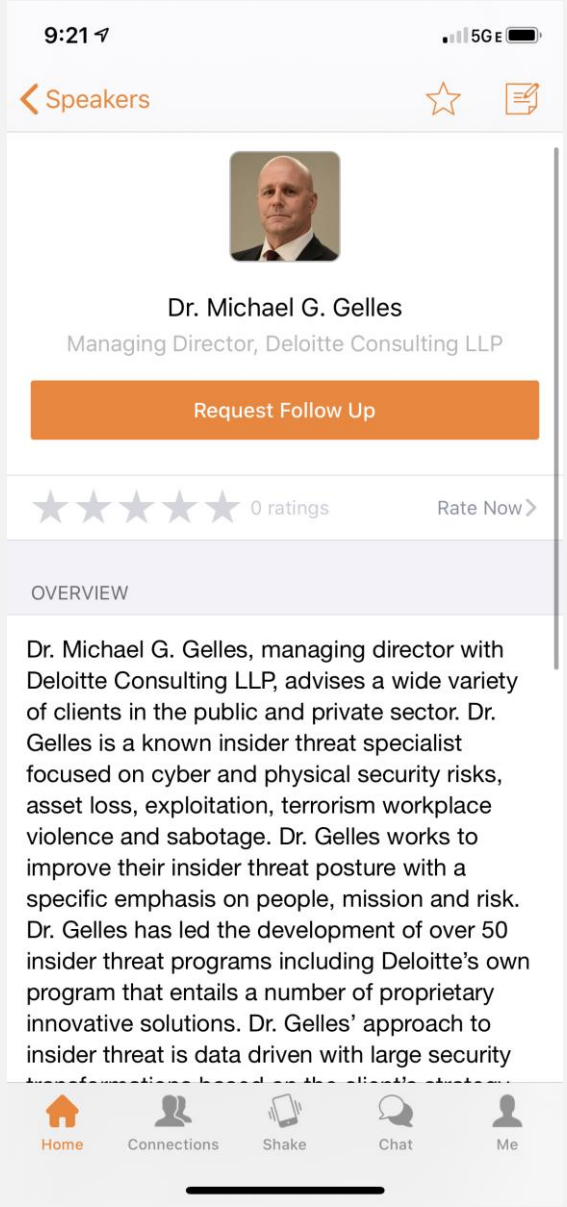
If you are looking for information about our sponsors or Demo Days vendors, click here!

When you click on a sponsor in the "Sponsors" menu item, you can rate them, see their description, request a follow up, schedule a virtual meeting, and see what sessions they have sponsored. This is a great way to interact with some of our Demo Days vendors!



NETWORKING WITH SPEAKERS



If you are looking for information about our speakers or want to chat more with them, click here!


When you click on a speaker in the "Speakers" menu item, you can rate them, see their description, request a follow up, and see what sessions they are part of. This is a great way to interact with our speakers before or after a session!
