

CWFLEET

COPSWEST REIMAGINED.

ONTARIO, CA | OCTOBER 19-20, 2021

► Let's Get High Touch and High Tech in Ontario! CWFLEET 2021 goes Face-2-Face

Tackling big trends and discussions, **CWFLEET** looks to steer the future of fleet with exciting demos, new products, top industry vendors and updates that help keep our personnel safe and fleet managers working efficiently.

Targeting all public safety fleet departments, city managers, utility districts and their personnel from across the West and across the nation. Including personal invitations to key agencies and cities to broaden our audience.

Vendors relating to all facets of fleet, fleet tech and fleet communications have a place at **CWFLEET**. This shows focus: IN – ON – AROUND the vehicle.

CWFLEET Show Details:

- Show Dates: October 19-20, 2021
- Load in: October 18, 2021
- Load out: October 20, 2021

NEW THIS YEAR

Innovations Alley – A concept where new technology and products can be on display and demonstrated. Front and center these booths will have a premium.

Potential Outdoor Demos and Competitions – We have reserved parking lot A for fun competitions, vehicle demos and any opportunities to showcase vehicles, motorcycles and bicycles in unique and productive ways. Let's talk about that! Call to discuss your needs and opportunities

Let's Get Large – Securing the larger meeting rooms for our OEM sessions.
