

Basic In-Custody Death Investigation

October 7-9, 2024

Richey Training Center
151 W Hedding Street
San Jose, CA 95110

Course Description

This course is designed to assist law enforcement in preventing, responding to, and initiating investigations into in-custody deaths.

Students will learn to recognize postmortem changes and how they impact an in-custody death investigation, as well as how to mitigate the associated liability.

POST/STC certified
24 hour course
