

Capitol to Communities: Legislative Impact

Are geofence warrants no more?

What about agency canines?

This course informs you of changes in statutory law enacted in the current California legislative session that will impact law enforcement in 2025 and beyond.

The course also brings you the latest court cases that impact law enforcement. Take home a CPOA Legislative Update Digest after the class for quick reference year-round access to 2025 laws!

WHO SHOULD ATTEND:

Any public safety personnel impacted by new laws.

Instructors: **Shaun Rundle**

CPOA's Executive Director, Shaun lobbied bills affecting the law enforcement profession on behalf of CPOA from 2014 to 2022.

Fellow instructors include representatives from DOJ and CHP.
