33rd Annual Law Enforcement Legislative Summit

March 12, 2025 ★ Capitol Events Center

Legislative impacts to the law enforcement profession seem to be never ending. The Summit serves as the One Day each year that California public safety's community speaks with a single and collaborative voice.

This program serves as your rare opportunity to join interactive discussions about legislation and policy and work with colleagues statewide on what will be needed in 2025 to address these recent criminal justice reforms.

The program will cover:

- Public safety legislative priorities as discussed by members of the Legislature
- *Legislative Landscape: Advocacy Panel* of public safety advocates
