Don't play the probability game - a high-profile use of force incident could happen to your agency. Be prepared.

Review recent court cases covering use of force, understand use of force situations through video examples and walk through a use of force incident from field training to the court room.

Learn:

- The necessity of contact drills both in the street and in the courtroom
- How to navigate the civil and criminal trial process
- The process of a use of force investigation in a custody setting
- Proper responses for both management and officers after a major incident
- How to testify about a use of force encounter
- How to write about a use of force encounter
- How to analyze your defensive tactics for effectiveness
- and much more!
